Fall: October Winter: Jan./Feb. Spring: May/June	Data Review	School Leadership Team

The MiMTSS Technical Assistance Center periodically reviews and revises the scope and sequence and professional development materials in order to ensure the highest quality training and supports. This will result in durable, sustainable implementation of School-wide PBIS with fidelity that will lead to improved student outcomes. In the event of proposed changes, partners can expect communication regarding why and strategic planning to support transitions.

Michigan’s Multi-Tiered System of Supports Technical Assistance Center is a Grant Funded Initiative (GFI) funded under the *Individuals with Disabilities Education Act* (IDEA) through the Michigan Department of Education.
