

Taking Stock of Instruction & Supports During the 2020-2021 School Year

School and district teams can use this tool to take stock of the schooling options and tiers of instruction and supports they are providing during the 2020-2021 school year.

Table 1.0 Inventory of Schooling Options and Tiers of Instruction and Support

Type of Schooling	Tier 1 Instruction/Support Offered to ALL students within the schooling option	Tier 2 Instruction/Support Offered to SOME students within the schooling option	Tier 3 Instruction/Support Offered to A FEW students within the schooling option
<i>Example: Virtual schooling provided by a district-selected vendor</i>	<i>15 minute checks-in with all students twice per week by their assigned mentor Access to principal and/or counselor upon request Weekly food distribution available Access to technology</i>	<i>Daily check-ins from mentor if not making progress in lessons Weekly phone calls with counselor Additional technology support to families Synchronous remote reading instruction with an interventionist twice weekly</i>	<i>Synchronous remote reading instruction with an interventionist daily Special education services Home visits by counselor</i>

Type of Schooling	Tier 1 Instruction/Support Offered to ALL students within the schooling option	Tier 2 Instruction/Support Offered to SOME students within the schooling option	Tier 3 Instruction/Support Offered to A FEW students within the schooling option

Michigan's MTSS Technical Assistance Center is funded by the Michigan Department of Education and the U.S. Department of Education, Office of Special Education Program.
