

## Replacement Behavior Video Guiding Questions

The following guiding questions are intended for use with the Replacement Behavior video that is a part of the follow up to Behavior Interventions in the Classroom professional learning session. The guiding questions can be used for individual reflection or to facilitate small or whole group discussion after viewing the video.

### Guiding Questions

1. Have you ever taught and reinforced replacement behaviors for your whole classroom or for an individual student? What was similar or different between the example in the video and your experience?
2. What is a behavior that you would like to see decrease for your class overall? What replacement behavior might you select to increase and reinforce?

Michigan's MTSS Technical Assistance Center is funded by the Michigan Department of Education and the U.S. Department of Education, Office of Special Education Programs.
