

## Activity: Antecedent Strategies

This document is intended for use during the FBA/BIP Focus Days for practice identifying behavioral antecedents. Participants will fill in the tables with antecedents and behavior from scenarios. This work is based on *Basic FBA to BSP: Trainer's Manual*. Loman, Strickland-Cohen, Borgmeier, & Horner.

### Scenario 1:

During the passing period in the hallway before recess, when peers tease him about his walk, A.J. calls them names and hits them.

Routine: During \_\_\_\_\_

<b>Antecedent/Trigger</b> When	<b>Behavior</b> Student does:

### Scenario 2:

In math class, Olivia stares off into space and does not respond to teacher directions when given a difficult math problem.

Routine: During \_\_\_\_\_

<b>Antecedent/Trigger</b> When	<b>Behavior</b> Student does:
