

EC PBIS Expectations Brainstorming

This document will be used by EC PBIS Leadership Teams to record ideas that will support action planning during team time. For each topic area, individuals will write down any connections to their context, examples that may want to be replicated, or any other thoughts.

Developing Expectations and Rules:

Teaching Expectations:

Acknowledging Expectations:

Promoting Expectations:

Michigan's MTSS Technical Assistance Center is funded by the Michigan Department of Education and the U.S. Department of Education, Office of Special Education Programs.
