My role is the Coach of the School Leadership Team as we work together to install and use the reading components of a Multi-Tiered System of Supports (MTSS) framework to improve outcomes for our students. I am also a member of the School Leadership Team.

My first areas of focus are:

- Supporting staff buy-in for the MTSS work along with the functioning of the School Leadership Team and communication.
- Follow up assignments and other work outlined in the upcoming Tier 1 Reading Components of an Elementary MTSS Framework.

The coaching methods I'll use for these focus areas include prompting, fluency building, performance feedback, and adaptations.
