## EC PBIS Implementation Plan

This document provides a template for an EC PBIS Leadership Team to use in order to develop an implementation plan to ensure successful and sustained use of EC PBIS.

### Measurable Goal

**Goal:** By Spring of Year 2, implement EC PBIS with fidelity as measured by:

- All critical elements on the Early Childhood Benchmarks of Quality (BOQ) partially or fully in place, with 80% fully in place
- An overall score of 80% or higher and no red flags on the Teaching Pyramid Observation Tool (TPOT) in each classroom
- Resulting in a decrease in behavior incident reports (BIR).

### Critical Element 1: Establish Leadership Team

Table 1. Record activities identified by the Leadership Team to implement/sustain this critical feature. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

### Critical Element 2: Staff Buy-In

Table 2. Record activities identified by the Leadership Team to implement/sustain this critical feature. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

### Critical Element 3: Family Engagement

Table 3. Record activities identified by the Leadership Team to implement/sustain this critical feature. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

### Critical Element 4: Program-Wide Expectations

Table 4. Record activities identified by the Leadership Team to implement/sustain this critical feature. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

### Critical Element 5: Professional Development and Staff Support Plan

Table 5. Record activities identified by the Leadership Team to implement/sustain this critical feature. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

### Critical Element 6: Procedures for Responding to Challenging Behavior

Table 6. Record activities identified by the Leadership Team to implement/sustain this critical feature. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

### Critical Element 7: Monitoring Implementation and Outcomes

Table 7. Record activities identified by the Leadership Team to implement/sustain this critical feature. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

## Additional Implementation Activities

Table 8. Record activities identified by the Leadership Team to implement/sustain EC PBIS. For each activity, assign individuals to complete the task and a timeline for completion. Add additional rows as needed.

Activity	By Whom	By When	Date and Status

Michigan's MTSS Technical Assistance Center is funded by the Michigan Department of Education and the U.S. Department of Education, Office of Special Education Programs.
