

Developing High-Quality Literacy Instruction 4-A's for Information Processing

This organizer is a structured space to capture reflections around the provided prompts.

Essential Components of Literacy Instruction

Assignment 2.1: 4-A's for Information Processing

What do you agree with?	What might you argue with?
What do you aspire to?	What a-ha's did you have?

Michigan's MTSS Technical Assistance Center is funded by the Michigan Department of Education and the U.S. Department of Education, Office of Special Education Programs.
