

Training Plan

We are looking forward to working with you at our upcoming session. This document outlines the training plan for Family Partnership: Literacy as a Life Skill for Families & Educators.

The training is designed for families and caregivers. Educators are welcome to attend.

Pework (15 minutes)

Complete the following activities independently prior to the Zoom Session. For each video, click the “CC” in the right, lower corner to turn on closed captioning. Select the gear image to change the language from English.

Videos

- Public Broadcasting Service (PBS) Trailer: [Building the Reading Brain](#) (1 minute).
- Dr. Joe Abraham interview: [Build a Brain Build a Life: How Reading Can Help Children Succeed in Life](#) (3 minutes).
- Institute of Education Science (IES): [Foundational Skills to Support Reading for Understanding](#).

Reflection

- Jot reflections in the [Google Pre-Work Note-Catcher](#) (3-5 minutes).

Live Zoom Session (90 minutes)

Session Outcomes

- Differentiate between literacy myths and facts.
- Summarize how the brain learns to read.
- Reflect on your role in supporting literacy at home and at school.
- Accurately share information and resources with other families, educators, and community members.
- Create an action plan with next steps.

Electronic Materials

- [Google Electronic Materials Folder](#)

Postwork (15 minutes)

Complete the following activities after the Live Zoom Session.

- View the Meadows Center Video: [Helping Your Child Read Multisyllabic Words](#) (11 minutes).
- Jot reflections in the [Google Post-Work Note-Catcher](#) (2-3 minutes).
- Explore resources available in the [Google Electronic Materials Folder](#) (2-3 minutes).

Contact Information

If you have difficulty locating or accessing any of these items, please contact project staff at info@mimtss.org. We are happy to help you get what you need.
