

Training Plan

Family Partnership: Sources of Reading Difficulties for Families and Educators

We are looking forward to working with you at our upcoming session. This document outlines our training plan. The training is designed for families, caregivers, and parents. Educators are welcome.

Pework (15 minutes)

Complete the following activities prior to the Live Zoom Session. For each video, click the “CC” in the right, lower corner to turn on closed captioning. Select the gear image to change the language from English.

Videos

- Public Broadcasting Service (PBS) Trailer: [Building the Reading Brain](#).
- Dr. Joe Abraham interview: [Build a Brain Build a Life: How Reading Can Help Children Succeed in Life](#).
- Institute of Education Science (IES): [Foundational Skills to Support Reading for Understanding](#).

Live Zoom Session (60 minutes)

Session Outcomes

- Reflect on experiences in learning to read.
- Understand what breaks down in learning to read and how to help.
- Accurately share information with families, educators, and community members.
- Reflect on your own role in developing relationships, celebrating strengths, and lifting barriers (issues).

Electronic Folder

- [Google Electronic Session Folder](#)

Postwork (15 minutes)

- Review the session resources in the Google Folder.
