

## Morphological Awareness Instructional Resources

The following websites support the content covered in the “Multiple Exposures: Increasing Vocabulary Retention through Extension Activities, Part 2,” training session activity 2.3.

[Common Content Area Roots and Affixes](https://www.readwritethink.org/sites/default/files/resources/printouts/content-area-roots.pdf), retrieved from ReadWriteThink.org  
(<https://www.readwritethink.org/sites/default/files/resources/printouts/content-area-roots.pdf>)

[Mini Matrix-Maker Page](https://www.neilramsden.co.uk/spelling/matrix/index.html) by Neil Ramsden

(<https://www.neilramsden.co.uk/spelling/matrix/index.html>)

This resource allows educators to create their word matrices to support morphology instruction.

[Morpheme Matrices](https://atlasabe.org/wp-content/uploads/2019/04/Morpheme_Matrices-rev072120.pdf), by Marn Frank

([https://atlasabe.org/wp-content/uploads/2019/04/Morpheme\\_Matrices-rev072120.pdf](https://atlasabe.org/wp-content/uploads/2019/04/Morpheme_Matrices-rev072120.pdf))

This resource offers an overview of morphology instruction, accompanied by example morpheme matrix student handouts.

Michigan's MTSS Technical Assistance Center is funded by the Michigan Department of Education and the U.S. Department of Education, Office of Special Education Programs.
