### **Network Commitments**

#### *Network facilitator commitments*

- Attend all sessions and check-ins outlined in the Network Meeting Schedule
- Facilitate professional learning using the provided materials on designated topics
  - Materials may be adapted to meet the needs of your audience
- Collect data after each professional learning session

#### *Building administrator commitments*

- Attend or view the Administrator Orientation Session
- Meet regularly with your Network Facilitator(s) to set goals and to reflect on the application of skills learned through the network sessions.
- Protect and promote the work
  - Allocate time for all four professional learning topics provided by the Explicit Instruction Network
  - Support your Network Facilitator(s) in meeting the scheduled requirements for Sessions and Check-Ins, as well as data collection

## Data Collection

- Facilitators will complete this survey after each facilitated professional learning session. For a co-facilitated session, each facilitator should complete their own survey.
