This brief, live virtual orientation will take place on August 10, 2026, from 10:00-11:00 am. It is designed to help administrators better understand the network and how they can best support their facilitator. We also encourage your attendance. This session will be recorded and shared with the network for anyone who is unable to attend.

We are thrilled to have you on board and look forward to working together to make a meaningful impact on student success.
