

Michigan's Multi-Tiered System of Supports Technical Assistance Center
June 2025 – Version 2.0

Multidisciplinary Team Implementation Plan

Activities

During the MDT meetings and professional learning, add activities that your team will complete. Record the date and status of each activity until it is complete.

Activity	By Whom	By When	Date and Status

Michigan's MTSS Technical Assistance Center is funded by the Michigan Department of Education and the U.S. Department of Education, Office of Special Education Programs.
